Leave all 140 sts on the needle. Do not cut the yarn, because you will use it to knit up the sts. of the toe later. Close the backseam with the yarntail of the cast-on row, using mattress stitch.
Shape toe:
Use the dp needles. Pick up and knit 64 sts. at the lower end of the sock. Purl one row. Continue as follows: Sst15 (beginning with the first st. after the seam), SSK2, Sst29, SSK2, Sst14. Repeat this decrease 6x in every 2nd row and 7x in every row. There are 8 sts. left on your needles. Craft these sts. together at the inside of the sock.
